Hyderabad, City of Nawabs

With a 425 year history, and through many a dynasty’s uprising and downfall, Hyderabad has seen so much over the centuries. The testament to its glorious past lies everywhere you look, from the imposing forts to quaint tea stalls scattered all over the city. From biryani to laad bangles, from Urdu infused Telugu to pearls, from the old city to the IT hub, nobody does it quite like the Hyderabads.

From acing the old world charm, Hyderabad is now briskly striding towards being the Entrepreneurship Capital of India. But what makes the city truly special are its people and their heartwarming attitude towards guests and life in general.
